A (Mr. Martin) - I would love to have a ball pit room in my house.

A (Mr. Roddy) – I would love a PS4.

Q Do you like the idea of the school Newspaper and why?

A (Mr. Martin) - Yes, because year 6 is separated and we would like to know more.

Q What is your favourite subject and why?

A (Mr. Martin) – My favourite subject is maths because I enjoy solving problems.

A (Mr. Roddy) – Science because I get to be involved.

## Ks2 School Curriculum

This term has been full of fun and games for all pupils. In Year 3/4, children have enjoyed learning about Ancient Egypt and a visit from Clive Pig ensured they all left the subject full of knowledge.

In year 5, students have loved writing their own myths and looking at others from the time of Ancient Greece, which fits in with their history topic.

In year 6, pupils have been learning about the tragedy of world war two. They made amazing models of Anderson shelters and fantastic cakes without eggs. Save some for us!

## Cowick Barton Fields Halloween

### Fun Run

On the 29<sup>th</sup> of October 2015 there was a children's charity Halloween fun run at Cowick Barton Fields and Pinces Garden for Age UK Exeter. Over five hundred children competed, and all got a medal for taking part. Most children who ran were wearing a Halloween costume, since it was Halloween Fun Run. There was a one kilometre and a three kilometre run.

Everyone who took part raised over one thousand, two hundred pounds for age UK Exeter all together. The run was for all ages. The one kilometre and the three kilometres run was, going through Cowick Barton Fields and Pinces Garden. The run also had some spooky surprises on the way throughout the route, around the park and garden.
