NEWSLETTER 11

6 March 2015

Dear Parents/Carers

World Book Week

What a fabulous time we have had celebrating World Book Week. On Tuesday the children were entertained by a performance of "Space Jump" by West End Theatre in Schools. Throughout the week the children have undertaken literacy activities in class and we have finished the week today with our annual World Book Week dressing up day, where children (and staff) have taken the opportunity to dress up as their favourite literary character - well done everyone - it was lovely to see so many different characters!

Comic Relief - Friday 13 March

Next Friday, 13 March, will be Comic Relief day. As this is so soon after World Book Day, this year we will be having a non-uniform day to raise money for Comic Relief, rather than another "dressing up" day so please remember safe and sensible! Can the children please bring their donations for Comic Relief in on the day. "Noses" may be brought into school and worn in the afternoon but we cannot accept responsibility for lost noses!

Reception Maths Evening and class visits

We held a successful Maths Evening for Reception parents this week, which will be followed up by those parents being invited into class to see how we teach maths in the Reception classes. We plan to hold similar maths information parents evenings for other year groups, as well as offer the opportunity to come in and observe maths being taught in your child's class.

Skiping Day - Thursday 12 March

Thursday 12 March will be National Skiping Day, and we will be holding our second annual Skipathon on that day. All the classes will be doing some skiping during the day. A letter was sent home yesterday with more information. Last year the Skipathon was a fund raising event - however this year there will be no sponsorship involved - just skiping!

Life Education Mobile Classroom

Parents will be aware that we have a Life Education mobile classroom on site. The children will have had the opportunity to go into the mobile classroom to learn about different health issues.

Buggies in School

For health and safety reasons we do ask that buggies are not used in the corridors. Parents with buggies are asked to leave them outside the school building.

Access to Classrooms

All downstairs classes should be accessed by parents using the classroom outside doors - only parents of children in Mr Tatchell-White's class need to access the classroom via the corridor. This is for health and safety reasons and helps stop congestion in the corridors at the start and end of the day. Thank you.

Friends of Bowhill Newsletter

Finally, please take the time to read the latest newsletter from Friends of Bowhill which is overleaf.

Have a good weekend,
Miss Caren Brooks
Headteacher
